Printed on Recycled Paper

Ways You Can Give Back this Earth Day

Exchange Your Plastic Bags: Trade your plastic grocery bags for reusable tote bags! Sponsored by the City of Redondo Beach Department of Public Works.

Recycle Your Old Bike: Is your bike just gathering dust in your garage? Donate it to Bikerowave, a do-it-yourself bicycle cooperative, and get a 15% off coupon for REI Manhattan Beach. They'll be on-hand to help you fix your bike, too!

Donate Your Shoes: For the month of April, we'll be collecting running shoes for Nike's "Reuse-a-Shoe" program and all other shoes for Soles4Souls! Drop your shoes off at the SEA Lab.

Clothes the Deal: From April 19th-April 24th, the SEA Lab will host a clothes drive for Clothes the Deal, a non-profit organization that serves low-income individuals who are currently enrolled in employment programs throughout Los Angeles. Donate your gently-used professional attire for a great cause!

Compost Your Food Waste: Want to learn how to start your own home compost? Come to an informative composting workshop at 1:00PM!

Clean Up the Beach: Join us for a beach clean up from 10:00AM-12:00PM! We'll meet at the beach entrance off of Harbor Drive and Herondo Street.

Donate Your Hair: Featured South Bay hair stylists will be providing free hair cuts for Matter of Trust, a non-profit charity that uses cut hair to make oil-absorbing hair mats! These mats are used in oil spills around the world!

Don't Trash it! Reuse it: One man's trash is another man's treasure! This holds true for Trash for Teaching, a Los Angeles-based organization who uses donated manufacturing supplies and turns them into everyday works of art (with your help, of course)! Sponsored in part by the Office of Don Knabe.

Live Healthy: We invite kids of all ages (and kids-at-heart) for a stress-relieving yoga session! Half-hour sessions begin at 11:30AM and 12:30PM!

Help Homeless Animals: Girl Scout Troop 3735 is collecting old blankets and towels, fleece material, puppy/dog and kitten/cat food, and toys for SPCA LA and Good Dog Animal rescue.

Donate Unwanted DVDs and Your Old Gamecube Games: Girl Scout Troop 3735 is also helping the pediatrics ward at Torrance Memorial Hospital (PG-13 and under only please).

Save Water in Your Garden: Did you know mulch reduces the growth of weeds, helps maintain an even soil temperature and prevents water loss by evaporation? Grab your shovel and container and head to Dominguez Park (600 Flagler Lane, Redondo Beach, CA 90277) from 7:00AM-6:00PM every day in April to pick up your free mulch!
